

Journal of Applied Phycology

Special Issue

24th International Seaweed Symposium, Hobart

Instructions for manuscript submission

Manuscripts should be prepared according to the Journal Guidelines

<https://www.springer.com/journal/10811/submission-guidelines>.

Papers for this special issue should be submitted on the Journal's Web Site

<https://www.springer.com/journal/10811> using the "24th ISS" Collections category [this option is available after you have downloaded the files].

Submissions under this category will be open until 30 March 2023.

All papers submitted will be reviewed in the normal way and accepted papers will be published in a Special Issue of the Journal of Applied Phycology.

Note that accepted papers are published immediately on-line with a DOI and are therefore fully available and citable. The printed Special Volume will be published once all papers are complete.

The Journal of Applied Phycology is a 'transformative journal' which means authors can choose to publish open access.
